

Biography of Kay Munro

Kay Munro is a College Librarian at the University of Glasgow Library, providing support to the College of Social Science. Kay has a particular interest in the impact of technology in Libraries. She has a key role in a number of Library projects looking at particular aspects of emerging communications and information technology developments. These include the implementation of the Library's mobile technologies strategy, the development a more user-focused, website and social media presence, and the development of a Library game, which will hope will add the social and fun elements of gaming into interactions with the Library for our users She has co-published a number of articles and papers relating to mobile technology initiatives at the University of Glasgow Library including "Mobilizing your Library" in "Mastering Digital Librarianship" Edited by Alison Mackenzie & Lindsay Martin:Facet Publishing,2013.
